OSCAR SUAREZ
FULLSTACK WEB DEVELOPER JR.

Guadalajara, Jalisco, México - (+52)3327568056 - Oscar.suarezwgd@gmail.com

---

ABOUT ME

Fullstack developer constantly learning, eager to contribute my point of view and my knowledge to solve technical problems and contribute my perspective on new challenges without neglecting the openness to new knowledge and ways of seeing the different problems.

EDUCATION

FullStack Java Developer Bootcamp
October - December 2022

Generation. Remote/Online.

Participation in the intensive bootcamp, created to prepare participants to develop a position in the IT area, by teaching BackEnd web development (Java, SQL, Spring Boot, etc.) and FrontEnd (HTML, CSS, JavaScript, bootstrap). , and developing the mindsets and behavioral skills essential for workplace success.

Bachelor's Degree in Performance and Music Production
April 2016 - December 2020

Universidad Libre de Música. Guadalajara, Jalisco

Titled by the Foundation for the Study of Sciences and Arts. Graduate. I developed soft skills for teamwork and efficient and effective communication.

EXPERIENCE

PokeTimer
March - May 2023

Personal Project

Pokemon-themed timer, built on React; the Timer is meant to help people with anything they need to time and get rewarded for it. The frontend is developed with ReactJs and the backend is an REST api, developed in node, with Express.Js and MongoDB. Deployed with github, render and MongoDB Cloud.
